## Mission Statement

CORE @ TCA, in order to foster the educational pursuits of our K-12 students in rural Northern California, utilizes the independent study/personalized learning approach: supporting development through choice of curriculum aligned with state standards, engaging parents along with students in learning and offering classes at our centers and within the community with the goal that students will demonstrate measurable academic growth in addition to the social skills necessary for their future success.

## Vision

To provide unique educational opportunities nurturing far-reaching success for students.

## The Board Values

1. Valuable educational experiences for all students
  2. Educational choice and options producing results in student achievement of standards
  3. Fiscal stability which reflects a balanced budget supporting student achievement
  4. Team Building with staff; administrative, certificated and classified
  5. Community Stature and Relations which reflects controlled growth
