

CDE Charter Directors Visits Camptonville Academy

Carol Barkley from the Director of Charter Schools from the California Department of Education, visited our Marysville Resource Center, with Jeff Rice from A+ Schools, in August. She wanted to get a better understanding of what a "resource center" is for a non site-based charter school. Thanks to Angela Choate for running a "tight ship" in the front lobby, Ms. Barkley expressed a desire for this option when she was in school! Thank you, all Marysville staff for making her visit memorable.

Attention all CORE Charter School Families:

We are undergoing our WASC review, which helps schools identify and implement school improvement needs and supports accountability, as well as allowing us to earn an accreditation term by the Western Association of Schools and Colleges.

Here is the mission of WASC:

The mission of the Commission is to foster excellence in elementary, secondary, adult, and postsecondary education by encouraging school improvement through a process of continuing evaluation and to recognize, by accreditation, schools that meet an acceptable level of quality, in accordance with established criteria. All public schools undergo this process.

The WASC teams will be visiting and evaluating our schools November 15th -- November 18th. Parents and students are invited to an active part in this process. Contact your local resource center, or ask your teacher for information on how you can help.

CORE School Foundations:

Part of the WASC process is developing guiding expectations for all students. These expectations are called CORE Foundations. Our CORE Foundations:

- The CORE student plans for success.
- The CORE student communicates effectively.
- The CORE student competes technologically.

A poem by 1st Grader Kaelyn Foor

The Boats

The boats are sailing on the ocean blue.
There is an island by my boat.
The beautiful golden treasures of the island, They steal my eyes.
I think it is filled with jewels.
Of course I look inside.
I get the treasure and put it in my boat, And sail away, the ocean blue.
I end up in a castle filled with jewels.
There are two maids hired for one prince and one princess.
They feed me and tell me where California is, And then I sail away, the ocean blue.

Kyle Ewen, an 8th grade student, has achieved the rank of Third Degree Brown Belt in Karate from Epperson Brothers Kempo Karate Dojo. Congratulations Kyle, we are very proud of you.
