

CORE @ TCA Highlights

Our students here at the Camptonville Academy went to Putah Creek as a part of the FARMS program. Students gathered eggs and fresh organic veggies for their delicious fried rice lunch. They visited the Putah Creek restoration area and were given a tour of their facilities, including the soil reclamation ponds.

Nathan Geiger

Olivia Key

Trevor Turk

Taylor Bamford

CORE @ TCA had their Spelling Bee on Feb. 5. The winners moved on to the Yuba County Spelling Bee Competition.

We are all winners at Camptonville Academy!!!! Congratulations!!!

Congratulations to our participants!!!!

Cecilia Galicia (5th grade)
(1st Place)
4th-6th

Samuel Cunningham (4th grade)
Runner up: 4th-6th

Courtney Putney (9th grade)
1st place - 7th-9th

Sandra Hendrix (7th grade)
Runner up: 7th-9th

4th-6th
Tessa Johnson
Tiffany Putney
Rogan Rongley
Montia Green

7th-9th
Lexus Resendez
Mia Eyre
Chris Paige
Giovani Ynclan

Sutter's Fort—February 16, 2010

Go back to simpler times....

CORE Butte Highlights

Mystery Disease Problem-Based Learning

The problem based learning unit, Mystery Disease was the focus of last month's learning for the Above and Beyond class. The Mystery Disease unit began with the scenario of a disease sweeping through the small community of Barrow County. The students collaborating together in teams, worked to find the source of the E. coli breakout. Teams explored in depth the topic and designed practical real-world solutions. The project ended with each team giving an oral presentation to, Jackie Munoz and Cassidy Scherba, two Enloe Hospital nurses.

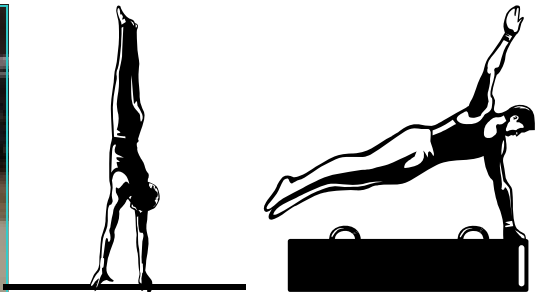

Jeremiah Wesley Black is a 17 year old Junior living in Paradise, Ca. Although known for his kindness and never ending sense of humor, Jeremiah is most famous for his passion in the kitchen. Last year when he found out that there was going to be a

field trip where they toured a Culinary Academy, Jeremiah knew he couldn't let this opportunity pass him up. The trip turned out to be such a success for him, he decided to take it again this year. He also plans to go next year as well.

YOUTH MONSTER CONCERT

Olyvia Simpson, sixth grade student with Core Butte participated in the January 23rd, Monster Concert at Chico State University. She was one of 48 children selected out of 200 students who auditioned in October. Students practice individually with their teachers and then have two group rehearsals before the concert. Olyvia takes piano lessons from vendor Sue Hazen. This year students are playing music featuring Jan Bastien, who will attend the concert.

CORE Butte Student **Matthew Gawthrop** qualified for Nor Cal state in gymnastics. Matthew placed first in all around at Level 5, placed 1st on the high bar and 2nd on vault and pommel horse at the Oroville International. The pictures show Matthew practicing at home. Perhaps we have a future Olympian!
